Instruction for Online Bid Submission

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at: <https://eprocure.gov.in/eprocure/app>.

REGISTRATION

- Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: <https://eprocure.gov.in/eprocure/app>) by clicking on the link "Online bidder Enrollment" on the CPP Portal which is free of charge.
- As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate issued by any Certifying Authority recognized by CCA India (e.g., Sify / nCode / eMudhra etc.), with their profile.
- Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
- Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

SEARCHING FOR TENDER DOCUMENTS

- There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
- Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / email in case there is any corrigendum issued to the tender document.
- The bidder should make a note of the unique Tender ID assigned to each tender; in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS

- Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid.

- Please note the Number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG Tender No.: formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
- To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use “My Space” or “Other Important Documents” area available to them to upload such documents. These documents may be directly submitted from the “My Space” area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

SUBMISSION OF BIDS

- Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- Bidder has to select the payment option as “offline” to pay the tender fee / EMD as applicable and enter details of the instrument.
- Bidder should prepare the EMD as per the instructions specified in the tender document. The original should be posted/couriered/given in person to the concerned official, latest by the last date of bid submission or as specified in the tender documents. The details of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.
- Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BOQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BOQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BOQ file is found to be modified by the bidder, the bid will be rejected.
- The server time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- The documents being submitted by the bidders would be encrypted using PKI encryption all techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128-bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key
- Further this key is subjected to asymmetric encryption using buyers/bid opener’s public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- The uploaded tender documents become readable only after the tender opening by the authorized bid openers.

2. Introduction

2.1 AIIMS, Bathinda is an apex healthcare institutes being established in 2019 by the Ministry of Health & Family Welfare, Government of India under the Pradhan Mantri Swasthya Suraksha Yojna (PMSSY). It is planned with 750-bedded medical institute with 10 specialty, 11 super specialty departments and 16 operation theatres. AIIMS has a trinity of mission, which is medical education, research and patient care. The All India Institute of Medical Sciences (AIIMS), Bathinda will catering Drugs/Medicines/I.V. Fluids to all patients. The list of Drugs/Medicines/I.V. Fluids required by AIIMS, is enclosed herewith for your information/reference (enclosed at Annexure-A).

2.2 This tender is for the purpose for executing rate-contract for supply of medicines at whole of the AIIMS, Bathinda

2.3 The Purchaser has issued these Tender Documents for purchase of goods as mentioned in Section – IV – "Schedule of Requirements", which also indicates, *interalia*, the required delivery schedule, terms and place of delivery.

2.2 This section (Section II - "General instructions & conditions of contract") provides the relevant information as well as instructions to assist the prospective bidders in preparation and submission of bids. It also includes the mode and procedure to be adopted by the bidder for receipt and opening as well as scrutiny and evaluation of bids and subsequent placement of Rate Contract/Purchase Order.

2.3 Before formulating the bid and submitting the same to the purchaser, the bidder should read and examine all the terms, conditions, instructions, etc. contained in the Tender Document. Failure to provide and/or comply with the required information, instructions etc. incorporated in these Tender Documents may result in rejection of its Bid.

2.4 The rates quoted, approved and accepted by the Executive Director, AIIMS Bathinda shall be valid for **two years** from the date of signing of the agreement deed **(extendable up-to one year on mutual agreement, if required)**.

2.5 Who Can Participate in the Bid?

The tenders are to be submitted by the manufacturers/sole importer only. Tenders quoted by suppliers on behalf of manufacturers will not be entertained even if they are authorized by the manufacturers. However, manufacturers can give authority letter to

the supplier / distributor / stockiest for the purpose of making supplies, raising bills, collecting payment etc. only after selection in the tender. In such cases, the manufacturer has to accept responsibility for any lapse on the part of the distributor/supplier and an undertaking to this effect from the manufacturer will have to be submitted. Failure to submit such an undertaking will lead to rejection of authorization and manufacturer will have to supply drugs directly. This authorization should be valid for the entire duration of the contract. No change in the authorized supplier/distributor will be allowed during the rate contract period. Different distributors of a manufacturer for different Centers/Hospital will not be allowed. Sub authorization further to any other agent for delivery of the goods or for raising bills/collecting payment etc. will not be accepted.

Rate Contract

Following three categories of companies/entities will be selected and Rate Contract will be signed with them.

- i. Category 1: Rate Contract 1- the first source for procurement (L-1)
 - ii. Category 2: Rate Contract 2 - the second (alternative) source for procurement (L-2)
 - iii. Category 3: Rate Contract 3 - the third (alternative source for procurement (L-3)
 - iv. Situation under which supply order might be placed to alternative sources (RC-2 (L-2) AND RC-3 (L-3), in that order)
- RC-1 source fails to supply the items within the stipulated time of 30 days.
 - The committee members in their collective judgement are not satisfied with the quality of items procured from RC -1 source.
 - When the RC-1 source fails to honor the terms and condition of the contract e.g. (i) asking for upward revision of prices, (ii) asking for extension of the delivery period beyond the accepted time, (iii) any other request from RC-1 source which does not serve the purpose of the Institute.
 - RC-1 could not perform well on account of good inventory management bringing loss on account of overstocking and expiry to zero level.
 - Whenever RC-1 fails to completely honour three consecutive supply orders the rate contract would be cancelled and RC-2 (L-2) would be made the regular source of procurement and the performance security of RC-1 will be forfeited.
 - In such a situation all clauses related to RC-1 (L-1) shall automatically apply to RC-2 (L-2).
 - Companies performance during the current Rate Contract will be taken in consideration while finalizing the future tender.
