

National Pharmacovigilance Week 2025 Celebrated at AIIMS Bathinda

The Adverse Drug Reaction (ADR) Monitoring Centre, Department of Pharmacology, AIIMS Bathinda, successfully celebrated National Pharmacovigilance Week 2025 (17th–23rd September) under the theme “*Your Safety, Just a Click Away: Report to PvPI.*”

Activities included OPD/IPD awareness sessions, ADR helpdesks, nukkad natak, community outreach, digital campaigns, and educational displays to promote drug safety and ADR reporting. The week concluded with a valedictory session graced by the Executive Director, Medical Superintendent, and faculty members.

The department extends gratitude to all contributors and invites all to report any Adverse drug reaction in the Department of Pharmacology of AIIMS Bathinda (Ext: 0164-286-7717).
