

## **Report on Fire Safety Week – Day 03**

**Date: 06/05/2026**

Under the guidance of respected **Executive Director Prof. Dr. Ratan Gupta**, Fire Safety Week – Day 03 was successfully conducted at All India Institute of Medical Sciences Bathinda with active participation from faculty members, staff, students, Engineering Team, and Fire Safety Team. Various awareness, training, educational, and practical activities were organized throughout the day to strengthen fire prevention preparedness and emergency response awareness across the institute.

### **Activities Conducted**

#### **1. Webinar Session for Fire Team**

**Time: 11:00 AM to 12:00 PM**

The Fire Safety Team attended an online technical webinar session focused on fire safety practices and emergency preparedness.

#### **2. Quiz Competition and Poster Competition**

**Venue: Conference Hall-2, Auditorium**

**Time: 11:00 AM to 01:00 PM**

A Quiz Competition and Poster Competition on the theme of fire safety awareness were organized at Conference Hall-2, Auditorium. Students and staff members actively participated and showcased their knowledge and creativity regarding fire prevention and safety measures.

The winners of the competitions were awarded prizes during the prize distribution ceremony.

#### **3. Fire Safety Awareness Class – SICU-1**

**Venue: SICU-1**

**Time: 01:45 PM to 02:15 PM**

A fire safety awareness session was conducted for healthcare workers and staff members of SICU-1 **in the presence of Nodal Officer Dr. Vaibhav Saini, Head, Dept. of ENT, Prof. (Dr.). Anju Grewal Head, Dept. of Anaesthesiology and Dr. Uma Rathi, Assistant Professor, Dept. of Trauma & Emergency (Anaesthesiology).**

The session included awareness regarding emergency evacuation, use of firefighting equipment, PASS method, and initial response during fire incidents.

#### **4. Technical Webinar on Electrical Fire Safety**

**Time: 03:00 PM to 04:00 PM**

The Electrical Team and Fire Safety Team attended a technical webinar on “Electrical Fire Safety for Healthcare and Governance Components and Conduct of Internal Fire Safety Audit.” The session emphasized electrical fire hazards, preventive measures, and internal fire safety audit procedures in healthcare institutions.

#### **5. Fire Safety Awareness Class and Mock Drill – UG Girls Hostel**

**Venue: UG Girls Hostel**

**Time: 05:30 PM to 06:00 PM**

A fire safety awareness class along with a mock drill was conducted in the presence of **Prof. (Dr.) Anuradha Raj, Head, Dept. of Ophthalmology** and **Dr. Anupinder Thindh, Assistant Professor, Dept. of Physiology**, at the UG Girls Hostel.

Demonstrations regarding emergency evacuation procedures, PASS method, and fire extinguisher handling were provided to students. The programme was conducted

#### **6. Fire Safety Awareness Class and Mock Drill – Student Nursing Hostel**

**Venue: Student Nursing Hostel**

**Time: 06:30 PM to 07:00 PM**

A similar fire safety awareness session and mock drill was organized at the Student Nursing Hostel to educate students regarding fire emergency response and safe evacuation procedures. The programme was conducted in the presence of **Prof. (Dr.) Anuradha Raj, Head, Dept. of Ophthalmology** and **Dr. Anupinder Thindh, Assistant Professor, Dept. of Physiology**

#### **Conclusion**

**Fire Safety Week – Day 03 activities successfully conducted at AIIMS Bathinda**

The activities conducted during Fire Safety Week – Day 03 significantly contributed towards enhancing fire safety awareness and preparedness among healthcare workers, students, and staff members. The active participation of all concerned departments and attendees made the programme successful and informative.
