

National Pharmacology Day 2026

The Department of Pharmacology, All India Institute of Medical Sciences (AIIMS), Bathinda, organized the National Pharmacology Day 2026 from August 17-21, 2026. The event was dedicated to celebrating the legacy of Col. Ram Nath Chopra (1882–1973), revered as the Father of Indian Pharmacology.

The three-day program comprised a series of academic, cultural, and recreational activities aimed at encouraging scientific temperament, creativity, and student engagement in the field of pharmacology.

The celebration of National Pharmacology Day 2026 at AIIMS Bathinda was a resounding success. The program effectively combined academic excellence, creativity, and interactive learning. It not only honored the contributions of Col. Ram Nath Chopra but also provided a platform for students to showcase their talents, enhance their knowledge, and develop team spirit.

The event fulfilled its objectives of fostering enthusiasm for pharmacology among budding medical professionals, encouraging innovation, and promoting holistic learning in a vibrant and inclusive environment.
