Terms and Conditions

1. The quotation must be in the form furnished by Procuring Entity and should be free from corrections/erasures. In case there is any unavoidable correction it should be properly attested. If not, the quotation will not be considered. Quotation written in pencil will not be considered.
2. All India Institute of Medical Sciences (AIIMS), Bathinda reserves the right to accept the offer by individual items and reject any or all quotations without assigning any reason thereof and does not bind itself to accept lowest quotations.
3. Manufacturer's name and country of origin of materials offered must be clearly specified. Please quote whether your organisation is large scale industry or small scale industry. If you have NSIC/MSE/MSI/DGS&D Certificate, please attach it to the quotation. Mention your registration details.
4. Complete details and ISI specification if any must accompany the quotation. Make/brand of the item shall be stated wherever applicable. If you have got any counter offer as suitable to the material required by us, the same may be shown separately.
5. Samples must be submitted where specified along with the quotations. Samples must be carefully packed, sealed and labelled clearly with enquiry number, subject and sender's name for easy identification. Rejected samples will be returned at your cost if insisted.
6. All supplies are subject to inspection and approval before acceptance. Manufacturer/supplier warranty certificates and manufacturer/Government approved lab test certificate shall be furnished along with the supply, wherever applicable.
7. AIIMS Bathinda reserves the right to modify the quantity specified in this enquiry.
8. The prices quoted should be firm till the supplies are completed. Please quote the rates in words and figures. Rates quoted should be free delivery at destination including all charges otherwise the quotation is likely to be rejected. Prices quoted for free delivery at destination will be given preference. If there is no indication regarding the FOR, in the quotation, then it will be considered as FOR destinations. Price quoted should be net and valid for a minimum period of 90 days from the date of opening of the quotation.
9. Delivery period required for supplying the material should be invariably specified in the quotation.
10. In case your quotation is accepted and order is placed on you, the supply against the order should be made within the period stipulated in the order. AIIMS Bathinda reserves the right to recover any loss sustained due to delayed delivery by way of penalty. Failure to supply the material within the stipulated period shall entitle Procuring Entity for the imposition of penalty without assigning any reasons @ 0.5% (half percent) of the total value of the item covered in order as penalty per day subject to a maximum of 5% (five percent) unless extension is obtained in writing from the office on valid ground before expiry of delivery period.
11. If the deliveries are not maintained and due to that account Procuring Entity is forced to buy the material at your risk and cost from elsewhere, the loss or damage that may be sustained there by will be recovered from the defaulting supplier.
12. Dispute clause: Any dispute relating to the enquiry shall be subject to the jurisdiction of the court at Bathinda only.
13. Our normal payment terms are 100% within 30 (thirty) days on receipt and acceptance of material at our site in good condition.

DEPARTMENT OF FORENSIC MEDICINE & TOXICOLOGY

Combined Technical Specifications

Analytical Grade Chemicals for Forensic Toxicology Laboratory

1. All chemicals shall be of Analytical Reagent (AR) / Analytical Grade, suitable for forensic toxicological analysis and routine laboratory use.
2. Chemicals shall conform to IP / BP / USP / EP / ACS or equivalent internationally accepted standards, wherever applicable.
3. Each chemical shall have high purity, low impurity profile, and be suitable for qualitative and quantitative analysis.
4. Chemicals shall be supplied with a Certificate of Analysis (CoA) from the manufacturer for each batch.
5. All containers shall be properly sealed, leak-proof, and tamper-evident, suitable for safe laboratory storage.
6. Each container must be clearly labelled with:
 - Chemical name
 - Grade (Analytical / AR)
 - Batch/Lot number
 - Date of manufacture
 - Expiry date
 - Manufacturer's name and address
7. Chemicals shall have a minimum shelf life of at least 75–80% remaining at the time of supply.
8. Packaging size shall be standard laboratory packs, as required for toxicology laboratory use.
9. All chemicals shall comply with safety and handling regulations, and Material Safety Data Sheet (MSDS/SDS) must be provided.
10. Chemicals must be suitable for use in forensic toxicology procedures, including but not limited to:
 - Extraction
 - Screening
 - Confirmatory analysis
 - Instrumental analysis (HPTLC / GC / GC-MS / LC-MS, where applicable)
11. Chemicals shall be supplied from reputed manufacturers/suppliers with proven experience in laboratory-grade chemicals.
12. The supplier shall ensure safe packing, transportation, and delivery as per laboratory safety norms.
